

LITERACY & LEARNING LAB

Hands-on and technology-based learning activities that support the start of a lifelong love of reading!

Our **Literacy & Learning Lab** is an innovative educational space featuring:

- Interactive games, puzzles, and word-search activities
- Local landmarks trivia and fun library facts
- Talking Books and Braille Library demonstrations
- Take-home resources

Located next to the State Capitol on the first floor of the State Library, it's an ideal space for young students to visit during downtown Baton Rouge field trips.
