

Arkansas, Mississippi and Texas ISSI Libraries

Copy and paste this list in the Lenders box by clicking on Advanced when trying to Configure your Lender List. Be sure to click on SAVE at the top of the page to save the list.

The screenshot shows a web browser window with the URL `sls.aagshareit.com/staff/ill/lender-lists`. The page is titled "State Library of Louisiana" and has a navigation bar with links for "Staff Dashboard", "Search History", and "Blank ILL Request". The main content area is titled "Configure Lender Lists" and includes a "Save" button. On the left, there is a sidebar with a search bar and a list of categories: "Preferred", "System Wide", "Non-Returnable", "Blocked Lenders", "Custom Lists", and "AR, MS, TX ISSI Libraries". The "test" item under "Custom Lists" is selected. The main form area has fields for "Name" (containing "test") and "Algorithm" (set to "Random"). Below these is a "Lenders" section with an "Add Lender" button and a search bar. A message at the bottom states "No lenders added to the list".
